Clelands Timber

WITH ROOTS IN THE TIMBER INDUSTRY DATING BACK TO 1916, OUR EXPERIENCED TEAM HAVE A WEALTH OF KNOWLEDGE MANUFACTURING BUILDING AND FINISHING PRODUCTS FROM SOLID AND FINGER JOINTED TIMBER.

Our entire team takes pride in producing a wide range of premium quality New Zealand made products ranging from Weatherboard systems, Fascia, Window Reveals, Door Jambs, through to laminated structural Beams and Posts.

We believe providing a quality service is an integral component to producing quality products. Our customers often comment on the benefits of our flexible order quantities- we don't have a minimum order quantity, if you require a single length for one project and a full pack for another, we're only happy to accommodate.
